Dear Principal, English Panel Chairperson and English Teachers

**Invitation to the dissemination seminar of
Quality Education Fund Thematic Network (QTN) on English Language (Primary) 2013/14**

The Centre for Enhancing English Learning and Teaching (CEELT) of the Faculty of Education at The Chinese University Hong Kong (CUHK), has been commissioned by the Quality Education Fund (QEF) to establish the *Quality Education Fund Thematic Network (QTN) on English Language (Primary)*. The aims of the QTN project are to facilitate primary schools to try out the resource package, as well as to develop their own school-based English curriculum for enhancing English learning and teaching. In the first implementation year of the QTN (2013/14), three Hong Kong primary schools have been selected as the Core Schools of the QTN to try out and further develop the Reading module of the resource package.

To celebrate the success of the first implementation year of the QTN, a seminar is now organised to disseminate the outcomes of the QTN to Hong Kong primary schools. The dissemination seminar will highlight how the resource package can benefit the development of a school-based English curriculum and teachers' professionalism. Teachers from the Core Schools will also share their views on the effectiveness and the sustainability of the resource package in promoting quality English language education in Hong Kong primary schools.

We cordially invite you to participate in the dissemination seminar. Details are as follows:

Date: 13 June 2014 (Friday)

Time: 3pm– 5pm

Venue: Lecture Theatre 3, Chen Kou Bun Building, CUHK
